KARONTE

Where others don't go!

Karonte is the new special off-road vehicle set up by Movie People.

With Karonte it is possible to reach places inaccessible to other vehicles and to be able to turn with large cranes in complete safety. Karonte allows you to move in total freedom both on the road and off-road, its ability to optimize weights and self-balancing make it a versatile and necessary product in the most extreme locations.

With Karonte it is possible to tackle unevenness without ever losing contact with the ground and once stopped it can stabilize thanks to the hydraulic pistons allowing technicians to work safely.

- High load capacity
